

# Driven by responsibility

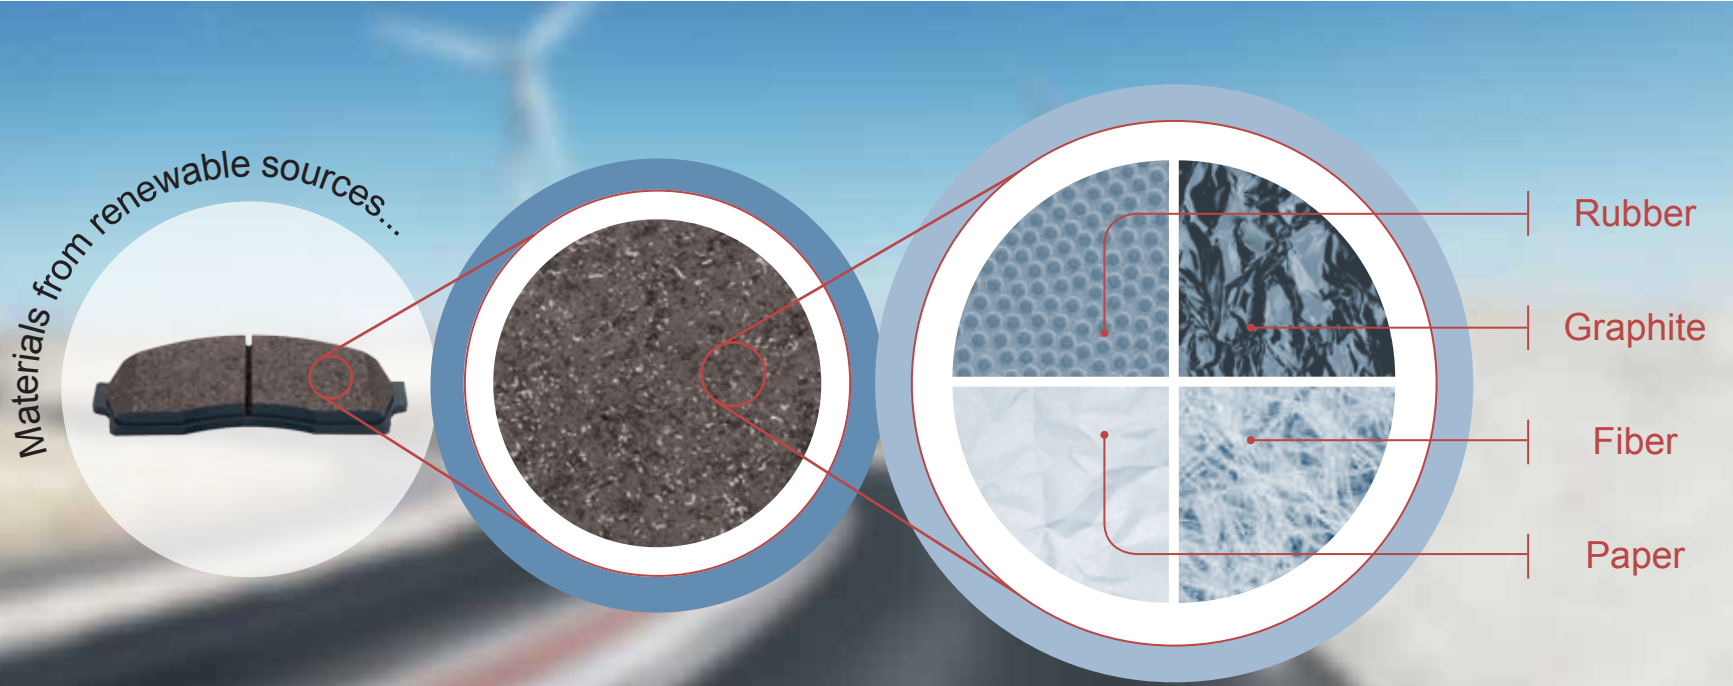

BOSCH innovation doesn't stop with making the highest quality brake pads...

**BOSCH is at the forefront of  
manufacturing environmentally  
friendly products**

# BOSCH QuietCast™ meets the highest eco standards

QuietCast™ copper free ceramic brake pads – compliant with 2025 copper free legislation

# Meeting environmental standards in manufacturing

This certification speaks loudly to Bosch's commitment to a healthier planet. Nearly 200 of our locations worldwide are ISO 14001 certified. **ISO 14001 is...**

- The cornerstone of international standards on environmental management systems and
- The most recognized and developed environmental management system in the world.
